LEESBURG, VA

THE NVO FOUNDATION

The NVO Foundation, established by Northern Virginia Orthodontics in 2018, is a non-profit dedicated to impacting others by supporting life-saving cancer efforts and transforming our community. Every donation supports our mission of partnering with programs and organizations that are actively impacting the fight against cancer and the greatest needs of the community.

Northern Virginia Orthodontics has a long history of serving & impacting the community in a multitude of ways. In 2014, they created the NVO Car for a Cure that raised over \$156,000 in 6 short weeks. 100% of the proceeds went to a local childhood cancer organization and research at Children's National Hospital.

When you support The NVO Foundation your generous donation will benefit one of our two pillars: cancer + community. Our impact team (Board of Directors) will determine where the greatest needs are every 6 months. Currently our funds are supporting the Inova Schar Cancer Institute as well as the needs of our local schools.
